

Cuisinart®

Can Opener

CCO-50NC Series

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed including the following:

1. **READ ALL INSTRUCTIONS.**
2. **Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.**
3. To protect against risk of electrical shock, do not immerse cord, plug or can opener in water or other liquid.
4. Close supervision is necessary when any appliance is used by or near children.
5. Avoid contact with moving parts.
6. Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions, or is dropped or damaged in any manner.
7. The use of attachments not recommended or sold by Cuisinart may cause fire, electrical shock, or risk of injury.
8. Do not use outdoors.
9. Do not let cord hang over edge of table or counter, or touch hot surfaces.
10. Do not open pressured (aerosol type) cans.
11. Do not open cans of flammable liquids such as lighter fluid.
12. Do not use can opener for other than intended use.
13. Do not leave unattended while in use.
14. This appliance is intended for household use only and not for commercial or industrial use.
15. **Caution:** Do not immerse in water.
16. Do not operate your appliance in an appliance garage or under a wall cabinet. **When storing in an appliance garage always unplug the unit from the electrical outlet.** Not doing so could create a risk of fire, especially if the appliance touches the walls of the garage or the door touches the unit as it closes.

FOR HOUSEHOLD USE ONLY

SAVE THESE INSTRUCTIONS

NOTICE

This appliance has a polarized plug (one blade is wider than the other). As a safety feature, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature.

OPERATING INSTRUCTIONS

1. Plug cord into outlet.
2. Raise lever.
3. Position your can under the guiding posts and lower the lever, making sure the Power Cut® blade is positioned inside the rim of the can.
4. Once the Power Cut® blade pierces the can, cutting begins. There is no need to hold the can or the lever down during cutting.
5. Cutting action will automatically stop, once the can is completely open.
6. The can will remain in position until lever is lifted.
7. To remove can, hold can firmly with one hand while lifting lever with other hand.
8. Carefully remove the lid from the magnet.

1. Power Cut® Blade Assembly

2. Can Opener Lever

3. Guide Posts

4. Can Rest

5. Base

6. Cord Storage (not shown)

7. BPA-Free (not shown): All parts that come in contact with food are BPA-Free.

CLEANING & MAINTENANCE

1. Be sure plug has been removed from outlet.
2. Remove can opener lever by lifting and pulling toward you. **Use caution, as the blade will be sharp.**
3. Wash by hand with hot, soapy water. Dry thoroughly.
4. Wipe body of can opener with damp cloth. (Caution: Do not immerse in water.)
5. Replace can opener lever by holding in the raised position and pushing back into place. Be sure the lever is pushed all the way in before lowering lever.
6. **Maintenance:** Any other servicing should be performed by an authorized service representative.

SUGGESTIONS

This can opener will open all standard size cans. **It should not be used on cans that have alternate methods of opening (including but not limited to pull-tabs, rolling key and peel-off foil). It also should not be used with rimless cans or cans with angled corners.**

Cans with aluminum lids will not adhere to magnet.

If there is a dent in the rim of the can, open other side or place the Power Cut® blade beyond the dent. If the can opener stalls, use a light touch to turn the can to aid the cutting process.

WARRANTY

LIMITED THREE-YEAR WARRANTY

We warrant that this Cuisinart product will be free of defects in materials or workmanship under normal home use for 3 years from the date of original purchase. This warranty covers manufacturer's defects including mechanical and electrical defects. It does not cover damage from consumer abuse, unauthorized repairs or modifications, theft, misuse, or damage due to transportation or environmental conditions. Products with removed or altered identification numbers will not be covered.

This warranty is not available to retailers or other commercial purchasers or owners. If your Cuisinart product should prove to be defective within the warranty period, we will repair it or replace it if necessary. For warranty purposes, please register your product online at www.cuisinart.ca to facilitate verification of the date of original purchase and keep your original receipt for the duration of the limited warranty. This warranty excludes damage caused by accident, misuse or abuse, including damage caused by overheating, and it does not apply to scratches, stains, discolouration or other damage to external or internal surfaces that does not impair the functional utility of the product. This warranty also expressly excludes all incidental or consequential damages.

Your Cuisinart product has been manufactured to the strictest specifications and has been designed for use only in 120 volt outlets and only with authorized accessories and replacement parts. This warranty expressly excludes any defects or damages caused by attempted use of this unit with a converter, as well as use with accessories, replacement parts or repair service other than those authorized by Cuisinart.

If the appliance should become defective within the warranty period, do not return the appliance to the store. Please contact our Customer Service Centre:

Toll-free phone number:
1-800-472-7606

Address:

**Cuisinart Canada
100 Conair Parkway
Woodbridge, ON L4H 0L2**

Email:

consumer_Canada@conair.com

Model:

CCO-50NC

To facilitate the speed and accuracy of your return, please enclose:

- \$10.00 for shipping and handling of the product (cheque or money order)
- Return address and phone number
- Description of the product defect
- Product date code*/copy of original proof of purchase
- Any other information pertinent to the product's return

* Product date code can be found on the underside of the base of the product. The product date code is a 4 or 5 digit number. Example, 90630 would designate year, month & day (2009, June 30th).

Note: We recommend you use a traceable, insured delivery service for added protection. Cuisinart will not be held responsible for in-transit damage or for packages that are not delivered to us.
